

K. W. Poore and Associates, Inc.

Joel S. Webne

GRAPHICS COORDINATOR

BACKGROUND

Joel is responsible for the design of graphic displays, presentations and drafting of maps specific to various stages of community development and planning for target sites associated with Community Improvement Grant (CIG) applications, comprehensive plans, housing studies, downtown revitalization, and other special projects. Additional duties include computer and technical assistance as well as design of supporting graphics used for the company website and specialized studies of areas within Community Development Block Grants (CDBG). He has extensive IT and graphics knowledge, and also serves as the point of contact for sales information on our Housekeeping and Home Maintenance manuals.

PROJECT EXPERIENCE

Graphics Coordinator – Various CDBG Downtown Projects

Galax, Coeburn, Hillsville, Pennington Gap, Pulaski, and Stuart, VA.

Responsible for design of graphic displays, presentations, and drafting of maps specific to various stages of community development and planning for target sites associated with Community Improvement Grant applications, housing studies, downtown revitalization, and other special projects.

Graphics Coordinator – Various Comprehensive Plan Updates

Emporia, Greensville County, Irvington, Tazewell, and Vinton, VA.

Responsible for design of graphic displays, presentations, and drafting of maps specific to various stages of the comprehensive plan process. Maps created include existing land use, environmental constraints, vacant land use, planning factors, community facilities, historic districts, future land use, and zoning districts.

EDUCATION

Bachelor of Science in Interior Design, University of Bridgeport, 1992
